

Sounding Out! Podcast #11: Recapping SoundBox Project #Tweetasound

Mary Caton Lingold

Blog post published February 21, 2013 in *Sounding Out!*

<https://doi.org/10.59350/r7ea3-6ym37>

Abstract

In September of 2012, the team behind the SoundBox Project hosted an event online called #Tweetasound. Supported by the Sounding Out! blog and with help from many audiophiles on Twitter, the event was staged to encourage people to experiment with making social media more noisy.

Keywords

Music (Subfield), Acoustic Ecology, Archival, Digital Humanities, Digital Media, Information
