Not Your Muse is a podcast series that dissects the unique experience of being a woman in the music industry. Each episode features an interview with a different artist; we talk about their entry into music, and the struggles and triumphs that followed. The goal of this series is to bring attention to the sexism, both blatant and subtle, that women have to process as professionals. You can find more here: https://soundcloud.com/notyourmusepodcast

Our debut episode features Hailey Niswanger, a 28-year-old experimental jazz artist based in Brooklyn, NY. From playing Saturday Night Live to touring with Esperanza Spalding, Hailey's career has been nothing short of extraordinary. So what did she do when her former mentor, who helped shape her relationship with music, crossed a line? Listen in to learn more about her story.
